### ADDITIONAL STATE LICENSING REQUIREMENTS

With most IAA locations, you can purchase the majority of vehicles sold through that facility as long as you have a dealer, dismantler, salvage, junk, scrapper, rebuilder or related license. Of course, the laws that say which type of license can purchase which type of title, varies by state and sometimes, locality.

In addition, some states require that you purchase specific licensing from that state in order to purchase certain titles and/or have access to the salvage pools in that state. We understand this can be confusing, so here is a listing of these states (where IAA operates), their requirements and who to contact in that state to obtain the necessary licensing.
