

# ROUTED EXPORT AGREEMENT

I, \_\_\_\_\_, (undersigned) hereby agree to the following conditions concerning the export of vehicles acquired from Insurance Auto Auctions, Inc. ("IAA") auction facilities. Unless expressly agreed to otherwise in writing with respect to a particular vehicle purchase, any and all export transactions involving such purchases shall be "routed export transactions," in which the undersigned is acting as the Foreign Principal Party in Interest ("FPPI"). As the FPPI, the undersigned will authorize a U.S. forwarding agent to facilitate the export of such vehicles from the United States and prepare and file any required Electronic Export Information ("EEI"). IAA shall release the vehicles purchased by the undersigned FPPI through the IAA auction facilities to the FPPI's U.S. Forwarding Agent in the United States.

The undersigned FPPI agrees that neither IAA nor the providers who sell vehicles through the IAA auction facilities will be the exporter under the Export Administration Regulations ("EAR") in such routed export transactions. The FPPI also acknowledges that vehicles purchased through the IAA auction facilities could, potentially, be subject to export licensing requirements. By signing this letter, the FPPI agrees to undertake, with respect to vehicles purchased through the IAA auction facilities, the following responsibilities: (1) to determine any applicable export license requirements; (2) to obtain any required export license and/or any other required export authorization; (3) to carry out any customs formalities for the export of the vehicles; and (4) to authorize the U.S. Forwarding Agent, who will be the exporter for EAR purposes, to act on behalf of the FPPI in connection with the exportation of such vehicles and to prepare and file the EEI and any required export license applications.
